Tuesday 8th June at
9am- Reception and Year
6 group photos
Friday 28th May - HALF
TERM - 2pm finish
Sports day - 28th, 29th
and 30th June at 2pm.
KS2 Performance -
Tuesday 6th July 1:30pm

Whole School Sunflower Competition

Today every child made a pot and planted a sunflower seed. We would like you to nurture your sunflower and help it grow. There will a prize for the tallest flower - to be judged on Friday 2nd July.

WHAT HAVE WE BEEN DOING?

Reading Week- it has been a fantastic week on the reading front, from volunteers and authors in school, a range of engaging activities, adults sharing their love of books, but best of all, the enthusiasm from all of the children sharing their favourite books and voting for books that they have read during this school year.

Theme Day Thursday Special

Fried Rice Theme day is always popular and it's fantastic to see the children trying new foods. We take feedback from the children on a daily basis and ask them for ideas for each Thursday. The children even try little taster pots, if they don't want the choice for the day.

The Good Life- yesterday Gardening Club collected rhubarb from the kitchen and made rhubarb crumble, with the help of Emma and Claire in the kitchen. Fully tummies, empty plates!

Entrepreneurs in Kingfisher Class. Y3&4 made a presentation to ask if they could raise money for Jordan Banks, who was tragically struck by lightning. So today they wore their football kit/black clothing in his honour and brought in a £1. They also appealed to the rest of the school to help too.

Forest Schools Year 2 had a brilliant, whole afternoon of Forest Schools. They built dens, chopped wood and lit fires. Robin Class will be next, starting after half term.

Enjoy the weekend, Mrs Price
